Career Objective

Passionate Computer Science graduate with expertise in Java, Web Development (MERN Stack), and Databases (SQL & NoSQL). Adept at problem-solving, implementing best practices, and quickly adapting to new technologies. Strong communication skills with a collaborative mindset, eager to develop innovative and scalable solutions in dynamic, fast-paced environments.

Education

- | | |
|--|------------------|
| • B.Tech in Computer Science and Engineering, DRKIST (2020 - 2024) | Percentage - 70% |
| • Intermediate - MPC, Sri Gayatri Junior College (2018 - 2020) | Percentage - 78% |
| • 10th Class - SSC, St. Ann's High School (2017 - 2018) | Percentage - 85% |

Work Experience

Full Stack Developer (Personal Projects) – Aug 2023 - Present

- Worked on multiple personal projects, applying **React.js**, **Node.js**, and **MongoDB** to build full-stack applications.
- Gained hands-on experience with **authentication**, **API integrations**, and **database management**.
- Deployed projects using **Vercel** and **Render** for real-world accessibility.

Skills

- Programming Languages: Java, Python, C
- Front-End Web Development: HTML, CSS, JavaScript, React.js, Tailwind & Bootstrap CSS
- Back-End Web Development: Node.js, Express.js, RESTful APIs, MVC Architecture
- Databases: SQL, MongoDB (NoSQL)
- Tools: Git, GitHub, Website Deployment
- Concepts: DSA, Problem Solving, Object-Oriented Programming (OOPs)

Projects

- ❖ **DNR's Portfolio**
 - Developed a **personal portfolio website** using **React.js** and **Tailwind CSS** to showcase skills and projects.
 - Designed a **responsive layout** for seamless viewing on desktop and mobile devices.
 - Deployed the site on **Vercel** at dnr-portfolio.vercel.app.
- ❖ **WanderLust - Airbnb Clone**
 - Built a **basic Airbnb clone** using **Node.js**, **Express.js**, and **MongoDB** with user authentication via **Passport.js**.
 - Integrated **Mapbox API** to display listing locations.
 - Deployed the project on **Render** at majorproject-bv6r.onrender.com.

Certifications & Achievements

- Apna College Full Stack Developer Certification
- Mastering Fundamentals of Java - Scaler
- Solved 150+ Problems on LeetCode in 150 Days Challenge
